

PARKING VALIDATION INSTRUCTIONS

We have a partnership with the LAZ parking garage at Illinois Center. The Illinois Center is located at **111 E. Wacker Dr**, just east of the intersection of N. Michigan Ave. and E. Wacker Dr. and across the street from Chicago's First Lady Cruises (the garage entrance is next door to the Chicago Architecture Center).

CFL guests get discounted parking for up to 4 hours by validating their parking ticket with us (standard rates apply after the 4th hour). There are three ways to validate a parking ticket - (1) prepay online, (2) at our ticket office or (3) at the bar onboard the boats.

Prepay Online - **Best Option**

Ideally, guests should prepay for parking online at cruisechicago.com/location. This eliminates the need for further validation and is especially useful for night and evening charters when our ticket office might be closed.

Validation at CFL Ticket Office

If prepaying online isn't an option, guests may park in the garage and validate their parking tickets at the ticket office. The ticket office has the official parking validation machine. When guests validate at our ticket office, they can then use the ticket to exit the garage just as they would normally. It is a good idea to validate tickets prior to event boarding, as the ticket office may be closed afterwards.

Validation onboard CFL Boats

Guests can also have parking tickets stamped onboard any boat by the bartender with a parking validation stamp. *Note: with this method, guests will also need to visit the LAZ parking garage office to get the final/official validation (open 24/7).* The LAZ office is located in Illinois Center on the concourse level across the hall from Potbelly's.

Parking Rates

1-3 Hours: \$14 (with validation)

3-4 Hours: \$15 (with validation)

After 4 hours: Standard rates apply
