## **Debuting! and Now For Sale. Chief Red Cloud War Shirt**

IT HAS BEEN CALLED A WAR SHIRT. BUT IT WAS MADE FOR PEACE.

The Lakota Sioux nation presented Red Cloud with a shirt of great spiritual meaning and importance. Each element of the shirt had a special significance to the Lakota intended to impart "sacred powers" to the "Wicasa Itancan" (leader of men).

More Than 1,000 Hours in making this incredible replica.
